"The chess board is the world, the pieces are the phenomena of the universe, the rules of the game are what we call the laws of Nature."

— Thomas Huxley
A Liberal Education

The life and death of each of whas influence on others

Chess, according to one local expert, is the ultimate non-violent battle of wits.

Perhaps all of life is just that — a battle of wits—a series of moves. Some moves are carefully planned out — others are forced upon us suddenly. Some moves bring us success and help us advance toward our goal — others lead to frustration and check-mate. The moves we make are limited by the rules of the game, the size of the playing board, the other players. We cannot always move when and where we choose; sometimes our way is blocked. Learning to live within the limitations is not undesirable compromise; it is accepting a challenge.

Chess is a challenge to the thinking man.

It taxes his ability to concentrate and think ahead and provides the discipline of study. In order to meet challenges — in chess or on the playing field, in the classroom or in life—
we must concentrate on the important values, think ahead to the ultimate goal,
discipline mind and body to free it from limitations of weakness.

The problem solved, the game won, the test questions answered correctly, or the game lost, the test failed, the problem unsolved — all are challenges and when accepted, all provide an opportunity to learn more about self, our friends or enemies, our environment, our faith. Meeting challenges — picking up the gauntlet — fighting city hall — all add zest to living. Winning isn't everything; it's how you play the game.

Sometimes the game is fun — other times, pure agony.

We may wonder why we play, why we bother to struggle.

Whether for the challenge or the excitement, the discipline or the fun—
we play the game because there is given to man by his Creator
an indomitable spirit that strives against the things of this world
to reach the fullness of Perfection Itself,
the Eternal Source of all Wisdom.

Man was made for striving. Chess is merely an exercise for living. Living is merely an exercise for eternity.

ACADEMICS

The challenge of the thinking man—
to absorb facts, to acquire knowledge,
to perceive through the senses—
and then to apply God-given intelligence and emotion
to arrive at wisdom, understanding, compassion,
humility, a sense of wonder, an awareness of
the Creator—to become the glory of God,
man fully alive. All this begins from the first
moment of life—much of it is developed
through academic experience.
Here at Andrean the challenge of learning
is respected, and, like chess, the challenge becomes
more interesting as the game continues.

We dedicate this book to our loving and joyful memory of

Father Vincent C. Eckert, C.S.B. 1915-1978

who inspired us as a priest, kept Andrean in operation as treasurer, attended to our needs for food, heat, shelter, and order, spent himself tirelessly in the realization of our dreams for a stadium,

amused us often with his keen sense of humor, and delighted us always as a friend.

Administration

It's not so lonely at the top for Andrean's administration. Father Schwenzer, Sister Anne Renée, Sister Christopher, and Father Benwitz meet frequently to iron out difficulties and plan policies and programs for the future. When the pressures of teaching and studying become great, teachers and students may find themselves envying the life and work of the administrators — but few appreciate the intensity of their responsibility and the extent of their duties. Andrean is fortunate in having four dedicated persons at "the helm." In the performance of their tasks they strive to put the interests and welfare of the Andrean community

Rev. Ronald Schwenzer, C.S.B. Principal

S. Anne Renée, SS.C.M. Associate Principal

CENTER: Father Schwenzer spends many hours tackling every principal's #1 Excedrin headache: budgeting, ABOVE: Meetings of the Administrative Council are necessarily frequent in order to keep the school running smoothly. RIGHT: S. Anne Renée shows the schedule for the day to Mrs. Martino.

Rev. Donald E. Benwitz, C.S.B. Assistant Principal for Boys Spanish II

S. M. Christopher, SS.C.M. Assistant Principal for Girls

S. M. Alfred, SS.C.M.

Guidance Counselor,

English I

Mr. Christopher Nicolini Guidance Director, U.S. History, Economics

Guidance

For being the busiest place at Andrean, the library is amazingly the quietest. Students and teachers find it the perfect retreat for doing homework, research, or just relaxing after a long day. Sister Emma, Andrean's librarian, cares for the 12,000 volumes on the shelves as well as the countless machines and materials of the A-V Department. The dedication of the four counselors in the main hall helps Andrean students through the maze of study and career choices: planning, schedules, job and scholarship information, and even personal problems or aspirations.

TOP: Sister Alfred spends hours directing Seniors like Phil Benson into career choices. CENTER: Snow and the Russian flu keep Mr. Barancyk's arm in motion writing out absent

Mr. William Barancyk Dean of Students

S. M. Emma, SS.C.M. Librarian

Mr. Michael Chelap Guidance Counselor, Physical Science

Rev. Manuel Chircop, C.S.B. Guidance Counselor, New Testament

Theology

All schools promote intellectual and social development, but only the Catholic school provides for the spiritual aspect of life. Andrean's Theology Department fulfills this need by leading the student to explore his relationship with God, the universe, his fellow man, and himself. For Freshmen, Biblical Literature traces the trials and successes of the Chosen People in the Old Testament. Sophomores study the life of Christ and the early Church in New

Literature traces the trials and successes of the Chosen People in the Old Testament. Sophomores study the life of Christ and the early Church in New Testament. With a firm understanding of Scripture, Juniors turn to Psychology while Seniors examine Morality and Faith and Sacraments. Such careful attention to spiritual needs results in adults who can lead mature, meaningful lives.

S. Mary Anne Nemec, SS.C.M. Department Chairman, Faith and Sacraments, Psychology

S. Jeanne Ambre, SS.C.M. Biblical Literature, Art I

Rev. Edward Baenziger, C.S.B. English II, IV, Psychology

S. Carol Marie, SS.C.M. New Testament, Psychology

CENTER LEFT: Randy Johnson, John Carter, and Michele Courtney examine the many interpretations of Solomon's students, and the students of Solomon's students. CENTER RIGHT: An explanation from Fr. Kline helps Linda Mendez understand a difficult Morality concept. LEFT: Bible in hand, Mr. Wittliff leads his New Testament class through the Scriptures,

Rev. James Kelly, C.S.B. Morality, English III, IV, Dramatics

Rev. Edwin Kline, C.S.B. New Testament, Morality, Basic Technical Drawing

Mr. Robert Wittliff, C.S.B. Biblical Literature, New Testament

TOP LEFT: Sister Paul helps Paul McGrath find a passam for the opening prayer of Bib. Lit. class. TOP RIGHT: A panel discussion helps New Testament students relate Biblical concepts to contemporary situations. CENTER: Senior Mike Gore, Marie Gonzalez, and Andrea Kunas put their heads together to sift out particular facts in the Decree on Divine Revelation. LEFT: Ellen Tucker leads a Psychology class discussion on dreams.

English

A thorough command of English is essential to success not only in school but in society as well. Andrean's English Department places special emphasis on developing the student's ability to communicate in writing and to understand the major themes in literature. While the first three years stress fundamental concepts, Seniors may choose from several electives. For the first time this year, Andrean offered College Composition, a course in which students could simutaneously fulfill their fourth year English requirement and earn college credits. Those with special talents or interests may expand their studies through Journalism, Public Speaking, and Dramatics, also a new course this year. Unlike some subjects that are seldom used, English is an indispensable component of everyday life.

S. Gilmary, SS.CM. Department Chairman, English III, IV, U.S. History

Mrs. Frances Crary English III, IV

Mrs. Edith Dakich English II, Public Speaking

Mr. Raymond DeFabio English III, IV

Mrs. Ella Gilbertson English I, II, Journalism

S. M. Jonathan, SS.C.M. English II, III

Mrs. Alice Rose Landeck English I

Mrs. Joyce Thomas English I, II

OPPOSITE PAGE: TOP: Father Kelly works with Tom Drakos in "limbering up" exercises before stage practice in Dramatics class. CENTER: Sister Gilmary returning essays is a familiar sight to her College Composition class. BOTTOM: Health and Safety come to English I as Tim Ayers and Vanessa Barnett demonstrate taking blood pressure for a public speaking exercise in Mrs. Thomas' class. THIS PAGE: TOP: An interview with two exchange students provides Mrs. Gilbertson's budding reporters an opportunity to hone their journalism skills. CENTER: Swapping classes with Fr. Kelly for a couple of days lets Fr. Baenziger expound his theories on Billy Budd to English IIIX students. LEFT: Seated comfortably in his chair, Mr. DeFabio directs his Utopian Literature students through The Great Gatsby.

Language

¿Habla usted español? Parlez-vous français? Sprechen Sie Deutch? Dicisne linguam Latinam?

For many students at Andrean the answer to this question is Si, yo hablo español. Oui, je parle français. Ja, ich spreche Deutch. Dico linguam Latinam.

Andrean students may pursue either a modern or classical language. Grammar, pronunciation, and composition all serve a vital function in the study of Spanish, French, and German. Teachers often employ the use of tape recorders, visual aids, and records in order to improve these three skills. A student may also study Latin to further understand the "roots" of his own language. With any of these four foreign languages a student not only learns a second language but also gains insights into the cultural aspects of foreign life.

Mrs. Deborah Lee Department Chairman, French I, II, III, IV

ABOVE: Jim Platis orates in French as Mrs. Lee listens attentively to his pronunciation. CENTER RIGHT: Speaking as Napoleon. William Mott explains the many empires of Europe to Mrs. Lee's French IV class. RIGHT: Somehow Mr. Weiss is able to extract some humor from the German idiomatic expressions that make no sense in English.

LEFT: Before plunging into Cicero's orations the "famous five" of Latin III trace Cicero's travels in an effort to understand the man behind the orations. BOTTOM LEFT: As part of their cultural learning experience. Spanish Seminar students present a Christmas skit in Spanish to fellow language students of Latin III. Spanish III. and French IV. BOTTOM RIGHT: Whether he speaks English or Spanish, Father Benwitz always gets mixed reactions to returned tests.

S. Marguerite Dankulich, SS.C.M. Spanish I, Spanish Seminar

Mr. Mitchell Dowalgo, C.S.B. Spanish I, II, III

S. M. Paul, SS.C.M. Latin I, II, III-IV, Biblical Literature

Mr. Lester Weiss German I, II, III-IV, Modern World History

Business

S. Maria Goretti, SS.C.M. Department Chairman, Accounting I, Typing II, Consumer Ed., Office Practice

S. Bernice Marie, SS.C.M. Shorthand I, II, Personal Typing

Mr. Dennis Keilman Accounting I, II, Consumer Education, General Business

CENTER LEFT: Mary Lou Rosales, office manager of the simulated business "Serendipity," explains the business products to some "Consumers" in S. Maria Goretti's class. CENTER RIGHT: Boys as well as girls in S. Bernice Marie's Personal Typing class strive to perfect their first quarter goals. RIGHT: Karen Zimmerman and Mary Thomas use dictaphones to improve their shorthand skills.

Andrean's Business Department really "gets down to business." Typing students strive for legibility while those in shorthand write English in characters that few can comprehend. Accounting demands precision — getting the books to balance is no easy task. Through a simulated business operation Clerical Office Practice students type, file, and acquire proficiency in the use of equipment such as dictaphones, duplicating machines, and calculators. This year the Advanced Typing class employed its talents to type address labels for the Heart Fund. Other courses that are available are General Business, Consumer Education, Advanced Business, Business Law, and Business English. The Business Department gives students skills to meet the challenges of today's business world.

Mrs. Bernadine Putz Typing I, II, Business Law, Business English

TOP: Kim Crawford speedily works with her class to type up address cards for the American Heart Association. CENTER: Diane Volk and Paula Koschal test the name brand peanut butter against its generic counterpart in S. Maria Goretti's Consumer Education class. FAR LEFT: What appears to be scribbling is really the preliminary copy of an important business letter from Shorthand class. LEFT: Mrs. Putz eases Business Law students through the rudiments of contracts and court cases.

Social Studies

More than just a source of important facts, Andrean's Social Studies Department gives the student new perspectives of the world around him. For sophomores, World History traces man's development from the Stone Age to the Atomic Age. Juniors remain closer to home in U.S. History, while the Seniors explore Government, Sociology, or Economics, Non-Western Civilization is available for those who desire a broader understanding of other peoples and cultures. Interested students participated in a Black History Week during February and inter-school conferences on current issues throughout the year. Ultimately, the Social Studies Department aims to create an informed citizen whose awareness of past and present will help insure the future.

TOP: The endless succession of boundary changes in Europe becomes clearer for World History students with the aid of Mr. Weiss and his map. ABOVE: Miss Trapane's Sociology students shudder to find human nature so involved. CENTER RIGHT: Mr. Naumowich listens attentively to U.S. History students' questions on the roots of the American labor movement.

Miss Roseann Trapane Department Chairman, Sociology, U.S. History

Mr. G. Edwin Jones World History, U.S. Government

Mr. James Jovanovic World History, U.S. History

Mr. Charles Naumowich U.S. History, U.S. Government

Mrs. Anne Weiss U.S. History, Non-Western Civilization

TOP: With the "Trib" as part of the teaching team, U.S. Government class becomes even more contemporary. LEFT: Mr. Jones' World History class supplements classroom learning with library research. BOTTOM LEFT: Despite a blackboard laden with terms and a meticulous lecture, a perplexed Mr. Jovanovic must clarify a point for a confused World History student. BOTTOM RIGHT: Mrs. Weiss sends Chuck Kremaric and Colleen Blake to Sister Gilmary, the other half of her teaching team in Advanced U.S. History, for work on a panel discussion.

Mathematics

From the pocket calculator to the space program, mathematics plays an ever expanding role in everyday life. More and more students require a firm foundation of mathematical concepts for everything from computer technology to balancing a checkbook. Through a three-track program tailored to meet the student's needs and abilities. Andrean's Mathematics Department strives to create a mathematically superior student. Beginning with elementary courses such as General Math or Algebra I, the student can progress to Trigonometry or Calculus during his senior year. Meanwhile, he learns to approach and solve problems logically and systematically. Through the Mathematics Department, students acquire the language of numbers - the key to today's technical world.

Rev. Edward Doser, C.S.B. Advanced Math, Analytic Geometry, Calculus, Algebra I, II

TOP: Father Doser explains the "ups and downs" of graphing exponential functions to his attentive Algebra II class. CENTER LEFT: Kevin Custer shows other students his unique technique in doing geometry proofs. CENTER RIGHT: While Mrs. Mestrich looks on, geometric lines, angles, and theorems flow from minds of students onto their test papers. RIGHT: Mrs. Giorgio introduces Algebra I students to the unavoidable experience of finding the greatest common factor.

Mr. Eugene Giorgio Geometry, Algebra I, II

LEFT: While Mr. Giorgio supplements the textbook, his geometry class carefully takes notes. CENTER: Before beginning her solution, Jane Bucko sneaks a look to see if she has copied the equation correctly. BOTTOM LEFT: The Advanced Mathematics class (Greg Matovina), studiously tackles functions. BOTTOM RIGHT: Algebra I students consult Fr. Doser's bulletin board to see how they fared on the previous night's homework.

Mrs. Mary Mesterharm General Math, Algebra I, II

Mrs. Mary Ann Mestrich Analytic Geometry, Geometry, Trigonometry

Mrs. Gail Nicolini Geometry, Algebra I

Rev. John Ward, C.S.B. Algebra I, II

Science

From the moment a freshman steps into a biology class, Andrean's Science Department seeks to explain the phenomenon of the universe. Biology students view an endless parade of living creatures from the lowliest amoeba to man himself. Chemistry and Physical Science probe the basis of all matter, the atom, while Physics examines laws governing the behavior of matter. For the truly scientifically motivated, Advanced Physics. Electronics, Electricity, Organic Chemistry, and Advanced Biology are available. The Science Department aims to develop scientific interest and an inquiring mind within students through exposure to many facets of modern science.

S. Joan Marie, SS.C.M. Department Chairman, Dir. of Religious Activities, Chemistry, Organic Chemistry, Advanced Biology

Mr. John Bennett Biology, Basic Technical Drawing

TOP: Mr. Floraday and Fr. Baenziger join "forces" as they demonstrate force vectors on skateboards. CENTER: With safety glässes and a correctly positioned test tube. Kathy Ridgely. Kevin Page. and Kellene Starczewski adhere to every word of sometimes ignored lab safety rules. RIGHT: An extraction involving three chemicals is only one of many experiments occupying Organic Chemistry students Jane Holmes and Joyce Owens.

TOP LEFT: Tony Lorenz and Tom Chester discover the fascinating microscopic world of single cells as they learn to use a microscope in Biology. TOP RIGHT: "Put it louder — I don't understand!" exclaims loe Frasca as Mr. Floraday explains the principles of amplification in Electronics. LEFT: Beth Onofrey. Terri Anton, and Andrea Dauro have to remember not to get too friendly with the frogs they use for Advanced Biology class.

Miss Sonia Casas Biology

Mr. Burton Floraday Physics, Physical Science, Advanced Physics, Electronics

Mrs. Helen Giorgio Chemistry, Physical Science, Algebra I

Mr. Paul Quanz, C.S.B. Physical Science, Biology

Physical Education

Even the sharpest minds cannot function efficiently if they are not housed in a sound body. Through activities like football, basketball and volleyball, Andrean's physical education program promotes physical fitness and sponsors recreational sports. Students learn team discipline and good sportsmanship — values important not only on the playing field, but also in life. Health and Safety classes teach proper personal hygiene and first-aid techniques. All the knowledge in the world is useless without the physical ability to apply it.

Miss Donna Bombassaro Physical Education, Health and Safety

Mr. Daniel Rogovich Physical Education, Health and Safety

TOP: Dave Falcone attempts to block a shot carefully positioned by Bill Parks. CENTER: Freshman girls eagerly anticipate their turns on the trampoline while Jenny Baughman enjoys the freedom of flight. ABOVE: Miss Bombassaro gauges the force of Kathy Mihalic's ventilations administered to Resusci-Annie. RIGHT: Miss Bombassaro gives a gentle but vital reminder to check for a pulse before administering cardiopulmonary resuscitation.

Home Economics

The buzzing bees and clanging bells at the end of the girl's hall are really the sewing machines and pots and pans of Andrean's Home Economics Department. Believing that "a stitch in time saves nine"—and money, — clothing students create blouses, skirts, and jumpsuits to supplement their wardrobes. The Foods classes whip up delectable delights that are bound to tempt any palate. Applying their talents, foods' students helped with Daddy Date Night as well as joined with the clothing classes to present a Style Show and Luncheon for the faculty in May. Foods, Clothing, and Home Management students learn practical skills that will be invaluable long after they have left Andrean.

Mrs. Geraldine Wamsher Foods I, II, Clothing I, II, Advanced Clothing, Home Management

TOP: Mike Mulloy proves that boys can cook, leave the kitchen intact, and still have something edible. CENTER LEFT: Planning with pen and pattern is necessary before Angela Morgan and Mary Gawor turn to the sewing machine. CENTER RIGHT: Sewing machines can't pin a seam, so Becky Kyprianou utilizes old-fashioned hands instead. LEFT: For Yvette Irving, canning her own vegetables gives her the satisfaction of knowing she did it herself. ABOVE: Toni Pious diligently irons out wrinkles before proceeding.

Fine Arts

Through the Art and Industrial Arts Department Andrean students have the opportunity to nurture their creative talents. Art I classes cover the basics of drawing, color, and design while Art II delves into advanced drawing and ceramics. Students in Art III and IV work with oils and acrylics. The Art classes help prepare students for careers in art, provide an interesting hobby, or broaden students cultural background. The Industrial Arts Department helps students explore the areas of design, interior decorating, engineering, and industry. Through drafting, woods, metals, and plastics classes students become acquainted with industrial practices. The students who get their hands dirty at Andrean are on the creative end of the academic spectrum.

Mr. Peter Billick Drafting and Design, General Shop, Plastics, Metals

TOP: Mr. Billick guides Creative Design student, Jay Steininger around the curved end of his toboggan. CENTER LEFT: Madeline Lesch has more paint on her fingers than on the pallet knife Mr. Listro uses to help her along. CENTER RIGHT: Jill Bucko glides gentle hands around the rim of her clay pot in Ceramics. RIGHT: Dave Richter gets assistance from an expert. Father Kline, on his first attempt at perspective in Basic Technical Drawing.

Mr. Sammy Listro Art I, II, III, IV

Music

Whether one has musical talent or just enjoys music, he may choose a variety of courses in the Andrean Music Department. Beginning and Concert Band allow the instrumentally-inclined student to use his talents well. Choral provides the student who has vocal ability with the opportunity to develop his potential. Music Appreciation gives the student the experience of music as an important part of everyday life. The music department has furnished the school with a fine marching band for the second year, and the concert band has played for various school functions. The music department is a vital part of the school, and Andrean would be incomplete without it.

Mrs. Ann Marie Betz Music Appreciation, Choral Beginning and Concert Band

TOP: Concert Band members keep eyes wide for conductor's directions and fingers positioned on their instruments. CENTER LEFT: Choral members exercise their vocal chords to perfect a selection for the Spring Concert. ABOVE: Music Appreciation students bask in the vibrations of Beethoven. Bach, and Bacharach. LEFT: Sometimes you just have to blow your own horn: the Andrean band makes good music.

Mrs. Anne Celenica Library

TOP: Order is of the essence in cataloging books, as Sister Emma and Mrs. Celenica well know. ABOVE: Mrs. Yurechko puts facts on file on the student record cards. RIGHT: Mrs. Sawyer regularly updates cards for the addressograph to keep up with students on the move.

Mrs. Hazel Moorhouse Treasurer's Office

Mrs. Jane Ridgely Medical Room

Mrs. Betty Sawyer Main Office

Mrs. Betty Ann Yurechko Main Office

STANDING: Clarence Ross, Randy Hicks. KNEELING: David Holland, Ed Hopper.

SEATED: Mrs. Marian Hall, Mrs. Anne Oldaker, Mrs. Marie Quade. STANDING: Mrs. Arlene Sawochka, Mrs. Ruth Horkavi.

CENTER LEFT: Mrs. Horkavi mixes up a favorite icing for the cake. ABOVE: Hours to prepare — minutes to consume! LEFT: Feeding 1100 students requires over-sized kettles and yard-long spoons.

STUDENT LIFE

One Over "Close Encounters"

Spiritual growth is an important idea at Andrean. Besides attending classes that teach Christian beliefs and morals, students may participate in the Liturgy every day and paraliturgical services during the year to further their Community and prayer experiences. Yet another opportunity for spiritual growth is each class' retreat. Four days are set aside in the school calendar, one for each class, in order to allow students the best possible opportunity for a good retreat. These retreats, in which students and teachers unite in their search for God, include discussion groups, slide presentations, lectures from guest speakers, and the Liturgy. Strong participation in these activities is the cornerstone of the Andrean religious community.

TOP: As commentator, Linda Mendez leads the Andrean community in the celebration of the Thanksgiving liturgy. CENTER LEFT: Father Schwenzer proclaims the Gospel in the Mass celebrating the opening of the school year. CENTER RIGHT: With Father Murphy as celebrant. Mrs. Lee and her Senior girls' homeroom participate in the Eucharistic liturgy as part of the Forty Days of Healing Prayer for Fr. Eckert. RIGHT: Every year Bishop Grutka celebrates the first Mass of the school year, the Mass which reunites the Andrean Christian Community in faith.

TOP LEFT: Mike Aloia, Maureen Blake, and Jim Platis provide musical accompaniment at the Freshman retreat. TOP RIGHT: Father Robert Bruno, O.F.M., from the Franciscan community at Seven Dolors, is the guest celebrant at the Sophomore retreat. CENTER LEFT: Sheila Heylin and Kathy Walsh discover new things about themselves and each other at one of the retreat's group dynamics exercises. CENTER RIGHT: Retreat is a new experience for Freshman boys. LEFT: Sophomores, with the help of Sister Joan Marie, try on new thoughts and roles and reactions in the alwayschallenging experience of God, neighbor, and self.

Smile Through the Rain

Weeks of work preceded the 1977 Homecoming weekend. Flowers were fluffed, the float constructed, cars decorated, and queens nominated. The car judging, in which Therese Modrak won Best Car, started off the festivities. Instead of individual class floats, this year the classes combined their efforts to create one float for the annual parade down Broadway. Our own marching band and pom-pon girls entertained the shivering and rained-upon fans at halftime. The speakers failed at the crucial moments: the beginning of the Ninerettes' routine, causing them to stand in the rain for an eternal five minutes, and at the announcement of the Queen. Shauna Boliker was on hand to present Mary Lopez with her crown. The game itself was a fierce struggle which the Fiftyniners lost. Yet even after the last flower was gone and the last car cleaned, the spirit of fun and enthusiasm remained.

OP: This year's only float represents a masterpiece of operation among the four classes. CENTER: The 1977 omecoming Queen candidates, accompanied by their corts, line up so their relatives can record the "times of their es."

BOTTOM LEFT: Teddy Bears aren't just for toddlers— Seniors prove that they make great mascots, too. ABOVE: The enthusiastic new Homecoming Queen Mary Lopez, escorted by Joe Pavlik, is crowned by the 1976 Homecoming Queen. Shauna Boliker.

TOP LEFT: Junior girls lavish TLC on their prize-winning car. TOP RIGHT: The varsity cheerleaders "climb to the top" of the assembly's Gong Show skit and manage to reach second place. CENTER LEFT: Chris Schneider spends many hours in his garage filling each hexagon of chicken wire on the float with a fluffed flower. CENTER RIGHT: The Andrean Marching Band entertains the Homecoming fans with their version of the theme from Rocky, "Gonna Fly Now." RIGHT: Creatively designed cars are poised and

Creatively designed cars are poised and ready to start off in the grand parade down Broadway.

TOP LEFT: In a take-off on "The Gong Show," Ed Semplinski suffers a severe case of foot-in-the-head as he portrays a character from "Uncle Chucky's Fables." TOP RIGHT: Becky Sheeran's car, decorated with a replica of a Fighting Fifty-Niner, leads the caravan down Broadway. CENTER LEFT: Cheryl Myers discovers that five heads are better than one for suggestions concerning car decoration techniques. ABOVE: Father Chircop finds a megaphone necessary to bark out orders as he organizes everyone for the start of the car caravan. FAR LEFT: In a race with the clock, Junior girls hurry to finish flower fluffing before homeroom begins. LEFT: Bubbie Dauro and Mike Holcomb admire Marisa Amore's rendition of a Hobart Brickie singing "I'm so vain."

A Magical, Musical Whirl

"Come one! Come all! Come ride the magical 'Carousel' and have the time of your life!" These were the words that beckoned the couples attending the 1977 Homecoming Dance. Streamers and balloons transformed the cafeteria into a huge merry-go-round, sending the couples whirling into fantasy worlds of their own. The music of Elijah Jumal enhanced this whimsical atmosphere and soon made the couples forget the recent Homecoming defeat. As the lights came on and the music stopped, the whirling "Carousel" came to a standstill.

Assorted Assemblies

Various assemblies throughout the year provided students with opportunities for entertainment and education. Pep assemblies cheered the accomplishments of Andrean athletes. A special presentation of the film "200 Years of American Comedy" entertained the students and showed them the history of comedy. Students discovered the variety of other students' abilities in The Talent Show and in the NHS assembly. Assemblies were a pleasant extension of the learning process.

TOP: In their talent show act, Andra Boliker, Colleen Blake, Dwayne Brown, Kevin and Michael Mott reproduce the famous dance step from "Saturday Night Fever." CENTER LEFT: Tom Balinski terrifies the audience as he performs the famous guillotine act on Wally Fles for the Talent Show, CENTER: The Red Cross nurse carefully teaches Donna Pearce the important job of identifying the blood samples for the Blood Drive. CENTER RIGHT: Lisa Dandurand and Chuck Conion donate their blood, a gift so precious to those who need it. LEFT: Tom Kovacevic, Bob Nandor, and Roger Hutchins blend their musical talent at the Talent Show in the song "Squonk" originally by Genesis.

The 1977-78 Drama Club presented the first fall drama of the year Flowers for Algeron on November 25, 26, and 27. Under the direction of Father Kelly, the cast and crew spent many long hours of hard work to produce a well-performed drama. The play tells of Charlie Gordon, a mentally retarded man who becomes part of an experiment to increase man's intelligence. As the result of experimental surgery. Charlie's intelligence increases to the genius level. But he discovers that he will soon regress to the old Charlie Gordon. This presentation, done in "theatre-in-the-round" style, was another success for the Andrean Drama Club.

RIGHT: Charlie tells his new friend. Algernon. "Dr. Strauss says that you are a real smart mouse, but I'm going to be smarter than you some day!" FAR RIGHT: A new subdued Charlie sits passively in his wheelchair as Dr. Strauss checks his pulse rate.

FLOWERS FOR ALGERNON

TOP LEFT: Knowing that action speaks louder than words. Fr. Kelly shows Robin Doherty exactly how he wants her to move. TOP RIGHT: Charlie is amazed at the hostility he sees in his friends' faces. CENTER LEFT: Charlie often confides his innermost feelings to Miss Kinnian, his sympathetic teacher. ABOVE: Professor and Mrs. Nemur justify Charlie's operation to two inquisitive guests. LEFT: Professor Nemur is having a difficult time convincing his associates that the operation will benefit Charlie.

Winter Magic

Outside, tripping through snow and slush did not seem magical, but inside it was all "Winter Magic" at the 1977 Turnabout Dance. The couples soon forgot the cold, wintry night as they opened the door and were greeted by the music of Mix. Snow-scene murals, a balloon Christmas tree, and dancing snowflakes gave the cafeteria a frosty charm and provided the couples with a quaint view of winter. When the last balloon had been popped, the dance too soon came to an end.

Froshmore Fever

On Saturday, March 18. Disco Fever swept through all attending the 1978 Froshmore Night Dance. Silver plated records hanging from the ceiling created a dynamic atmosphere of a discotheque. The fiery music of Fluid Motion turned the cafeteria into a blazing "Disco Inferno." Finally, after a night of footloose and fancy-free dancing. Froshmore Night and disco became a memory.

TOP. "Stayin" Alive" at disco dancing means taking a break for Mark Drapac and Ellen Morton. CENTER LEFT: With or without their "boogie shoes." couples show no inhibitions in displaying their energetic dancing abilities. CENTER RIGHT: The music of Fluid Motion brings out the "discomania" in all of us. BOTTOM LEFT: Not even the latest disco craze can break the always popular tradition of slow dancing. BOTTOM RIGHT: Kim Johnson and Dave Rettig are caught up in the highly contagious "Saturday Night Fever."

BOY FRIEND

The Andrean Drama Club's presentation of Sandy Wilson's The Boyfriend heralded the arrival of spring. The musical centered around Madame Dubonnet's School for Girls in southern France in the 1920's. The play creatively blended music comedy, and dancing as it told of a love story between a number of characters. Both cast and crew worked hard to make this production successful. The cast, with the help of Ellen Tucker and Mrs. Betz, had to learn to speak with accents and to dance the old time steps. Under the direction of Fr. Kelly and stage manager Tom Drakos, the crew combined talent and skill in setting up the props, lighting, and sound for the play. The many weeks of preparation were evident to the many who came and enjoyed the performances.

TOP: "I could be happy with you." Tony declares as he unmasks Polly. TOP RIGHT: Nancy and Pierre know that Hortense is not "as prim as she pretends to be. After all, she is French!" CENTER RIGHT: "Looks like love is in the air" for the young at heart, whether or not Lady Brockhurst approves. RIGHT: Fron Charlestons to waltzes, Mrs. Betz's concert band plays them all.

TOP LEFT: "After due consideration" Dulcie and Maisie accept the boys' proposals of marriage. TOP RIGHT: Lord Brockhurst hears a familiar voice—could it be his son Tony's? CENTER LEFT: Pepe and Lolita entertained the guests at the masked ball with a carnival tango. CENTER: Percy tries to recover from his embarrassment at not recognizing the beloved "Kiki" from his youth. ABOVE: No detail escapes Fr. Kelly's eye in his effort to make the production perfect. LEFT: Lady Brockhurst is aghast at her husband's roving eye.

Community Effort

This year's Clothing Class staged a Style-Show Marshall-Field-style — students modeled their handiwork as the final course of a dinner for the Faculty and Administration. The Foods Classes under the direction of Mrs. Wamsher, provided the dinner, an elaborate buffet which satisfied everyone's tastes from fruit-cup to cream-puffs. Not to be left out, the Home Management class created the springy table decorations.

TOP: The Foods class set a banquet fit for a king - or queen, and all faculty members thoroughly enjoyed it. CENTER LEFT: Fathers Schwenzer and Baenziger realize that they must sample a little bit of everything to appreciate it all. CENTER RIGHT: Linda Mendez is flattered that her spring dress won the compliments of Fr. Schwenzer and Fr. Benwitz. RIGHT: Becky Kyprianou proudly models her creation which shows that well-dressed women wear suits, too. FAR RIGHT: Lori Deruntz and Pat Humphrey find that service with a smile encourages bigger appetites.

My Heart Belongs to Daddy

Father's Day comes twice a year at Andrean with Daddy Date Night on the school calendar. This year, February 12th was a Valentine Dad's Night under the direction of Mrs. Wamsher. Valentines, red and white streamers, and candlelight provided the atmosphere for the delicious dinner. Dancing followed dinner — first, the lively and always enjoyable square dancing. After two hours of Do-si-do, everyone was ready for some ballroom dancing to music by Bittersweet. The evening's climax was the presentation of special awards to the four-year Dads.

TOP: Ballroom dancing is fun and easy when Daddy knows all the steps. CENTER LEFT: With a friendly smile Patti Tournai makes her rounds greeting friends and fathers. CENTER RIGHT: Donna Pearce's father proudly receives his award for a four year attendance at Daddy Date Night. LEFT: Slow music brings back warm memories as fathers enjoy a special evening with their "little girls." ABOVE: Senior Liz Meler gives her father a quick look over, making sure he looks his best for their last Daddy Night picture.

Trom Festivities Bring a Magic Moment to May

The 1978 Junior-Senior Prom proved to be a magic moment for all the couples who attended. At the prom, held at Salvatorian Hall on May 5, 1978, the couples enjoyed a night of good music and dancing provided by Fantasia. The Post-Prom dinner was served at the Greek Hall and followed by two hours of dancing inspired by Mandingo. All the weeks of planning and excited anticipation were over too soon - but the magic moment will remain a fond memory for many moments to

come.

TOP LEFT: After weeks of anticipation Carol Pena and Ray Ciesielski are just one step away from the long-awaited social event of the year. TOP RIGHT: Even chaperones with a constraint of the year to the properties of the year to have the year to year to year to year to year year.

TOP LEFT: Clouds and stars provide the background for the music of Fantasia which sent couples into an out-of-this-world experience. TOP RIGHT: One of the catering ladies amuses Mary Kay Phipps and Scott Frankowski with the stories of prom days "when clothes were different and the music was not as loud." CENTER: Long dresses and tuxedo don't stop Bobby Dauro and Chuek Kremaric from getting into the latest discocraze. ABOVE: "Slow" dances are still special moments at the Prom. LEFT: Antia Levenda and Kevin Cessna exhibit the good time prom-goers can have.

Class Clash

nothing could drown out the class spirit displayed during the 1978 Armageddon weekend. The Junior class achieved the highest score, conquering the Sophomores, Seniors, and Freshmen, respectively. The "never-say-die" Sophomores, however, captured the Spirit Award. The Friday assembly began with the traditional "call of the Classes" and with the lighting of the Armageddon torch. This confetti-filled mayhem was followed by more of the same as class representatives competed in a frisbeethrowing contest and an obstacle course race. This set the pace for the Armageddon games which followed. The Disco Dance on Saturday night was a highly spirited ending to the muddy but merry weekend in May.

TOP: Junior class officers accept the highly-coveted victor's jug celebrating their triumph. ABOVE: Bill Kane proudly represents the Senior class as he lights the 1978 Armageddon torch. CENTER RIGHT: Not even the slippery mud can keep the Sophomores from struggling to win the tug of war. RIGHT: The Juniors spare no confetti, streamers, balloons, or cheers in proving their class spirit is the best.

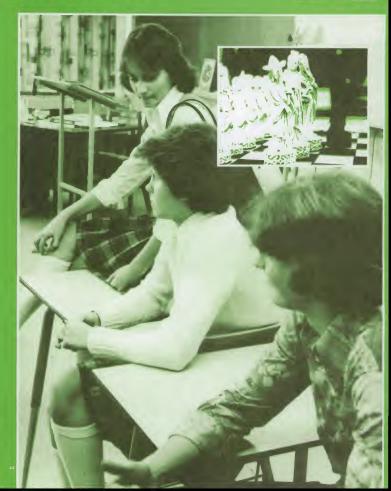

TOP LEFT: Amid loud cheers of approval from the class of '79, officers Colleen Blake and Kevin Cessna ceremoniously place their "star-spangled banner" on display. TOP RIGHT: Senior boys combine strength and strategy in their attempt to defeat the Sophomores in dodgeball. CENTER LEFT: Junior ping pong champions Carol Cardetti and Emilio Juste prove that winning required keeping an eye on the ball at all times. ABOVE: Shoes were just one casualty of the Armageddon mud. LEFT: Sophomore girls make a desperate attempt to keep the ball away from their defense line in wallball.

ORGANIZATIONS

Student Politics Come to Order

Andrean's Student Council for 1977-1978 school year was chaired by its first female president, Marcia Wojkovich, and directed by new moderators Sr. Carol Marie and Fr. Chircop. The corporate efforts of homeroom representatives and class officers together with the Student Council officers planned and executed the Freshman picnic, a Homecoming dance, sock-hops, recreation night, a 3-D movie, and the annual Armageddon games. The council-run Christmas and Valentine mailboxes earned some money for the missions. The high school student exchange projects brought visitors from neighboring schools to Andrean to run through our schedule while several councilmembers visited their schools. The Council sponsored the film yearbook project - a first attempt to capture on 8 mm film the Andrean community in action.

TOP LEFT: Marcia Wojkovich begins her school year of presidential duties with running the picnic to welcome the Freshmen. TOP RIGHT: Marcia Wojkovich discusses plans for another project with the committee heads. CENTER LEFT: Cheryl Myers. Allison Crouch, and Laura Genduso sort mail and packages for the Christmas mail service. CENTER RIGHT: Concerned students always find a forum for ideas at the Student Council meeting. ABOVE: The singing telegrams sponsored by the Student Council for the benefit of the missions bring laughs as well as profits. LEFT: Leon Darmon serves an acc to win the game at Ree Night.

Cream of the Crop

The Cardinal Flahiff Chapter of the National Honor Society consists of 59 Andrean Juniors and Seniors who are outstanding in the areas of scholarship, character, leadership, and service. To be eligible, a person must have a 3.75 GPA. A faculty committee sifts through teacher recommendations and the students' own listing of their activities to make the final judgment about membership. The NHS, with Sr. Anne Renée as moderator, concentrates on being an honor society—leaving students, for the most part, free to

leaving students, for the most part, free to continue serving in the areas which merited them membership in the first place. However, they serve as tour guides at Open House for incoming freshmen and as ushers at some Parents' Club functions.

TOP: NHS Officers: Bob Jackson. Treasurer: Donna York, Secretary: Pam Fadul, Vice President; Patty Tournai, President, CENTER LEFT: Fr. Schwenzer awards Gina Shropshire her certificate of membership in the NHS. CENTER RIGHT: Ms. Terry Murphy of WLS-TV holds NHS members and the rest of the student body spellbound during her speech at the NHS induction. RIGHT: Sr. Anne Renée, moderator of NHS, adjusts the hood designating Kathy Fealy a NHS member. FAR RIGHT: NHS members conduct a special flag raising ceremony as a special observance of Veterans' Day.

Time Best Spent

Under the leadership of Sister Joan Marie, director of Religious Activities, and Mr. Paul Quanz, the Liturgy Club planned, practiced for, and participated in morning Masses, Monday morning prayer, and student Masses. Members also helped with the class retreats by making nametags and assisting in the set up. The club consisted of about 10 regular members and others who got involved in the activities from time to time. Armed with their experiences in liturgy, these students can offer their services in the future in their own parishes.

TOP: Father Doser celebrates the Eucharist for students in the Priests' chapel before the school day begins. CENTER LEFT: Dave Lopez, Andy Attar, and Maureen Blake combine their talents for a Thursday morning Liturgy. CENTER RIGHT: Keith Thompson, John Felix, Mr. Listro and Joe Pavlik provide an extra dimension to the student liturgies during the year. LEFT: Moderators Sr. Joan Marie and Mr. Paul Quantz meet with Liturgy Club members to plan and practice for another Liturgy.

Others First

Giving is a word which adequately describes the activities of the Christian Service and Mission Clubs. Directed by Sister Maria Gretti, moderater of both clubs, the Christian Service Club cheered five area nursing homes with Christmas carols in December and returned in the Spring with more entertainment. At Christmas, members delivered piñatas made by the Spanish Club to Hoosier Boy's Town and the Carmelite Homes. At Thanksgiving and Christmas members brought food baskets to about 50 needy families—

a project which involved all the homerooms. Mission Club members visited homerooms regularly to collect money for several charities. Their sale of carnations on Valentine's Day and paper flowers for Red and Gold Day brightened up the halls and brought aid to the needy.

TOP: Carol Gough and Rich Parks give the Thanksgiving food drive boxes a last minute check to see if they are ready to go. CENTER LEFT: Sr. Maria Goretti guides homeroom representatives in the distribution of the homerooms' Thanksgiving food baskets. CENTER RIGHT: Everybody loves flowers, and the Mission Club capitalized on this by selling Valentine carnations to benefit the Missions. RIGHT: Chinstian Service Club Officers: Bill Garcia. Paula Koschal, Chris Suelzer, and Becky Gomez.

Sing Out Loud

Small in numbers but large on enthusiasm, Andrean's Choral group sang through an enjoyable year under the direction of Mrs. Betz. Their aim for the year was to perfect basic vocal skills and voice projection. In addition to the annual Christmas and Spring concerts at Andrean, the choral group entertained at eight grade schools during Christmas and the spring, and also performed at four nursing homes in cooperation with the Christian Service Club. They also showed off their repertoire of Christmas music for the second year in a row at Southlake Mall. Seven choral members who entered the NISBOVA Music contest were awarded top prizes.

FRONT ROW: L. Bennett (choral manager), S. Franz (accompanist), P. Golding, C. Penn, R. Bartrom, Mrs. Betz. SFCOND ROW: T. Giannini, J. Jones, M. Nettles, J. Swayk, B. Sheran, E. Sikorski. THIRD ROW: L. Burgess, B. Sullivan, L. Schneider, J. Driscoll, W. Warminski, A. Shives, BACK ROW: C. Gadson, Y. Mack, E. Miles, J. Rainford, V. Amore, J. Klamo.

TOP: Stephanie Franz accompanies Lori Bennett and Laura Burgess in preparation for the Vocal Solo and Ensemble contest. CENTER LEFT: With recording equipment in the background, the chorus presents its Christmas concert for later broadcast. ABOVE: Choral Club Officers: Angie Shives, Secretary-Treasurer; Julie Swayk, Vice President: Marcia Nettles. President:

Encore!

This year's band aimed for excellence. With Mrs. Ann Betz, the concert band, marching band, and pep band strove to bring their best effort to their respective audiences. Band members who competed in the NISBOVA contest received numerous awards indicative of their achievements, even though the music chosen by the entrants was more difficult and modern than ever before. The concert band had its usual Christmas and Spring concerts and toured eight grade schools during Christmas and Spring. They marched at home football games and in three area parades. Their musical additions to pep assemblies and spring events helped bolster school spirit and "light up" our lives.

SEATED: J. Chesnul, R. Gholson, J. Jones (Pres.), J. Perkins. STANDING: M. Jimenez, M. Prusiecki, J. Good, W. Owens.

SEATED: K. Matta, B. Stryczek (Lib.), L. Morgavan (V.-Pres.), R. Kesel. STANDING: R. Gholson, H. Sylve, R. Fontenez, M. Hostetler (Sec./Treas.).

Mrs. Betz runs the band through its paces at the Christmas
concert.

SEATED: S. Quinn, S. Karagin, E. Tucker (Uniforms), D. Barkowski. STANDING: A. Shives, W. Stone, A. Tokarski, P. Smith.

TOP LEFT: Debbie Lewandowski and Debbie Dillman practice their selection for the NISBOVA MUSIC Contest. TOP RIGHT: Despite the wind and cold Barbara Solivais leads the band onto the field for half-time entertainment. CENTER LEFT: The marching band and pom-pom girls cheer Andrean on during a pause in the football game. CENTER RIGHT: Mrs. Betz signals the piccolos into action. LEFT: Richard Gholson prepares for a solo and ensemble contest.

Miles of Smiles

Having fun was the year-round activity of the Youth Association for Retarded Children. Under the guidance of Sister Paul, the YARC planned seasonal parties for 25 of the area's retarded children. It was no small task to coordinate plans for food, games and activities (. . . who will be Santa Claus, or the Easter Bunny?. . .), and party favors — but the members saw the rewards of all their efforts in the response of the children. Few clubs offer such exhilarating experiences to its members.

Pacing the Puck

With Fr. Kline as moderator, the Griffins, led in scoring by Brad Lyman who totaled 18 goals and 27 assists, captured the Eastern Division title of the Northern Indiana High School Hockey League. Superb goal-tending was the Griffins' trademark. The league's "Most Valuable Goalie." Bot Tomala, and accomplice Mike Rose shut out the opposition four times. Team captain, Phil Benson, led the powerful defensive line under the coaching of former team-member and present coach, Randy Ehrsam.

KNEELING: D. Ornelas, J. Ehrsam, B. Tomala, M. Rose, B. Lyman, STANDING: oach Randy Ehrsam, G. Babicka, D. Cortina, P. Benson, C. Dolan, J. Buczek, L. Bihlman, J. Pavlik, T. Huffman, Fr. Kline, N. Pappas.

TOP: Phil Benson tries to gain a point with the flick of a stick. CENTER LEFT: Jeff Ehrsam knows he has to put power into a successful shot. CENTER: Goalie Bob Tomala takes every precaution against the dangers of a flying puck. CENTER RIGHT: Joe Pavlik prepares to gain quick control when the puck is dropped.

Organized Insanity

Ask the next person you see in the hall where the Yearbook Room is, "Yearbook Room? I didn't know we had one!" Cloistered in an obscure corner are the unsung heroes who compose, crop, and count everything you see in this book. Abandon all excuses, ye who enter here. For in the Yearbook Room a deadline is a deadline; there's no room for extensions or excuses. S. Jonathan and S. Jeanne Ambre have instilled this motto: "You learn more by sitting there and doing it . . . and undoing it . . . and redoing it . . . "But it's worth all the effort to record where it's at.

Writers Press On

Where do students turn to find school news? The Acropolis, of course. The monthly editions appear like clockwork under the direction of moderator Sister Gilmary and editors Loretta Bryan and Betsy Dillon. The publication boasts of 12 full-time contributing writers who can be found, notebook in hand, gathering data for news, future stories, and student polls. It takes approximately 15 hours of concentrated group effort after school to produce an issue. This year the staff also published a special memorial issue about Father Eckert. For its excellence in high school journalism the Acropolis placed first this year in the National Scholastic Press Association contest and won second place in the Columbia Press Association contest.

TOP: Carol Cogelja, Laura Genduso, and Stacy DeMass parcel out the Acropolis to be given to eager readers. CENTER LEFT: Carol Cogelja shows that typing up the Acropolis can be an engrossing job. CENTER RIGHT: Getting accurate information is important so Betsy Dillon and Loretta Bryan conduct an interview with Sister Anne Renée about a proposed trip to Spain. LEFT: Amid pop and Chips, Betsy Dillon, Lisa Dandurand, and Loretta Bryan wrack their brains to find the right headling.

Apathy Clinic

"Support Andrean!" was the persistent and sometimes lonely cry of the Booster Club. Armed with posters, signs, and an excess of enthusiasm, the Booster Club members besieged Andrean students with information about and incentive to support upcoming sports events. Their activities included the preparation of pep assemblies and sign painting and then attending Andrean sporting events to vocalize their support of our teams. The money which the club made in their autumn fundraising drives was presented as a sizeable check to the Andrean Athletic Department by the club's moderator. Miss Casas.

TOP: Teresa Polak and Bridget Horton fill in signs to give support to Andrean's basketball team. CENTER LEFT: Painting signs is one of the things the Booster Club does best. CENTER RIGHT: Christine Balt. Jeneill Vaughan, and Terri Conlon are careful to follow Diane Horvat's designed sign, RIGHT: Booster Club Officers: Jeneil Vaughan, Secretary: Terri Conlon, Treasurer: Bridget Horton, President; Marcella Jimenez. Vice-President; Teresa Polak, Head of Human Relations. ABSENT: Diane Horvat, Design Artist.

Half-Time Happiness

Endless hours of pracitee (these girls know how to count!), both in school and on their own helped the Andrean Ninerettes retain their reputation for fine half-time shows. Their cleverly planned and timely routines helped to raise school spirit at the pep assemblies and at the games themselves. The pompon girls attended a compound camp last summer in order to get new ideas and improve techniques. Besides their own routines, the Ninerettes, under the direction of S. Marguerite, also performed with the Marching Band at football games and in area parades.

**PRONT ROW: J. Barton, D. Wolfe, M. Schaffer, G. Vaughn. **SECOND ROW: T. Sowinski, D. Billick, A. Boliker, S. Sidor, J. Petrovich. **THRD ROW: K. Dixon, J. Bucko, M. Hanzal, K. Starzewski, G. Loechner, J. Loh, C. Stallworth **FOURTH ROW: C. Dixon, G. Shropshire, D. Prusinski, A. Pleva, L. Settle, L. Nawrocki. **BACK ROW: M. Marker, C. Styrna, P. Stevens, D. Cisowski, B. Ross, S. Wolf, D. Fork.

TOP: The Ninerettes bring out school spirit with their halftime stunts at a football game. CENTER RIGHT: Alane Cooke does her part to perfection in a precision performance. LEFT: Laurie Rice, Judy Loh. Gina Shropshire, and Ann Pleva raise school spirit with their pom-post.

Piñata Power

Spanish Club members this year concentrated on cultural experiences. The year's activities began with a picnic at Deep River County Park. Together with Christian Service Club members, the Spanish Club added Spanish carols to the Christmas program they performed at Sebo's Nursing Home. Mr. Dowalgo, moderator, taught the fine art of piñata-making, and members added a festive touch to the Open House with their decorations. Members also attended an Easter liturgy in Spanish. Two highlights of the year were excursions to see *The Man of La Mancha* in Chicago and the National Folkloric Ballet of Mexico.

TOP: "Beauty is in the eye of the beholder" for Mr. Dowalgo as he shapes the base of a piñata. CENTER LEFT: Spanish club members join with Christian Service Club members to carol for local nursing homes. CENTER RIGHT: Mr. Dowalgo and Bill Garcia help Kevin Cessna assemble the Spanish newspaper. ABOVE: Spanish Club Officers: Theresa Glowacki. Secretary; Alicia Fadell, President; Emilio Justo, Vice-President; Kathy Ivanyo, Treasurer. RIGHT: Pasting piñatas together is fun and games for Chris Ivanyo and

Latin Forever!

A step into Ancient Rome — that's what a Latin Club meeting is like. Latin Club members celebrated the Roman holidays of Saturnalia in December, the Ides of March, and the birth of Rome on April 23rd. Dedicated to their classical heritage, the members sold Latin Christmas cards and purchased jerseys which sport the club motto. Club projects include dressing dolls in Roman costume and writing to famous professionals to find out whether or not they took Latin in high school — and if so, how it helped them in their careers. In the spring, Club members, together with moderator Sister Paul, visited an exhibit on early Rome at the Chicago Museum of Science and Industry.

TOP: Chris Griffin, Jenny Chalko, Kathy Pishkur, and Rosalie Dominik examine dolls which were made and dressed in Roman costume by the Latin Club members. CENTER LEFT: Sister Paul does her part in the gift exchange with her gift of gingerbread men to symbolize the clay dolls given in the old Roman Saturnalia celebration. CENTER RIGHT: Ron McQuillin selects a gift from Jim Good, King Saturn. FAR LEFT: Debra Key and Barbara Kruszynski sit in the half-light created by the candles representing the tapers which burned in the Roman temples during Saturnalia. LEFT: Latin Club Officers: Jenny Chalko, Censor; Chris Griffin, Quaestor; Chris McQuillin, Consul: Pam Edwards, Proconsul.

A Touch of Class

A little paint, a canvas, and a dash of creativity (not to mention talent) creates a masterpiece. Andrean's Art Club is designed to involve students in artrelated projects to exercise their talents and add a touch of beauty to our lives. The 30 or so members fall into one of two categories; students who couldn't fit art into their 6-subject schedules, or students who can't get enough of moderator Mr.

Listro's art classes. The club gave color to classroom windows for special holidays like Halloween, Thanksgiving, and Christmas. In order to experience first-hand the great works of famed artists, the Art Club visited the Chicago Art

Battles in Slow Motion

To many people chess would not appear to be a terrifically exciting sport — but like other competitive activities, it requires skill, concentration, and strategy. Every Thursday afternoon members of the Chess Club can be found studying out their next move armed with pencil, paper, and the writings of experts. By far the quietest club at Andrean, members play each other and sometimes faculty members, especially Mr. Giorgio who acts as the club moderator. This year the club held a tournament of 5 rounds and some members attended a regional tournament at Gary Vocational-Center in March.

TOP: Tom Kovacevic wonders how Allan Tokarski can protect his knight. CENTER LEFT: Casey Greszczuk and Chris Suelzer ponder and then record their moves in the tournament. CENTER RIGHT: Theresa Strimbu prepares to capture Brian Ridgely's knight. FAR LEFT: John Volan meditates on his third move. LEFT: Chess Club Officers: Brian Ridgely. President, and Chris Suelzer. Vice-President.

Searching for Solutions

For those students who can't seem to get enough figuring in formal classes, there is the Math Club. Andrean's Mu Alpha Theta doubles as an honor society for math and as a math club. There are forty charter members (students in their third year of membership) and ten associate members (nonvoting members). The club offers members the opportunity to discuss and solve tricky math problems to accumulate class credit for correct solutions. This summer the officers will participate in a convention and take part in math competitions.

TOP: Math Club Officers: Peggy Lepp. President: Doe Pavlik, Vice-President: Chris Griffin, Treasurer: Jenny Chalko. Secretary. CENTER LEFT: Kathy Hanlon receives her certificate of membership in the Mu Alpha Theta. CENTER RIGHT: Jenny Chalko. confers with Mr. Giorgio about the next meeting. RIGHT: Chris Griffin and Jenny Chalko check the handbook to be sure that the Math Club induction goes according to the rules.

Mad Scientists

Ask a good question, find a good answer. This is the Science Club's unwritten philosophy. With the help of Miss Sonia Casas, Science Club members engage in experimentation to discover answers to questions with which they challenge themselves. Three such experiments were an attempt to make mirrors, a heredity experiment with fruit flies, and the dissection of gerbils and a fetal pig. Outside of Friday afternoon meetings, the members participated in an excursion to the Water Plant in Hobart and the Science Fair at Purdue in April. There seems to be little more compelling than an interesting question unanswered.

TOP LEFT: Mike Botsko, Eumar Tagupa, and Kevin King try to determine if they have A, AB. O. or any blood at all. TOP RIGHT: Science Club Officers: Mike Botsko, Treasurer; LeRoy Emerson, President; and Eumar Tagupa, Vice-President, ABOVE: Rahul Somani patiently stirs agar in preparation for his bacteria project. LEFT: All eyes are on Steve Barancyk as he begins the dissection of a fetal pig.

Circuit-Makers

A new informal club is the Electronics Club.
Directed by Mr. Floraday, the club moderator,
members explore aspects of electronics not covered
in class. Their projects provide them with an
opportunity to spend time on more complicated
and involved electronic devices — soldering,
building, and repairing circuits. Their major effort
this year was to build a video game: "Star Wars."

TOP: Mike Sipiora looks on as Mr. Floraday tests what's left of a radio tube. CENTER LEFT: Electronics club members know what it's all about. CENTER RIGHT: Tim Marcotte plays guardian angel to be sure Mike Sipiora doesn't burn out a capacitor. LEFT: Paul Bukur needs a steady hand and unlimited patience to ut the acetate mask for the video-game.

Say "Cheese!"

Picture the Photography Club. Newly organized this year. Andrean's Photography Club offered students the chance to improve their picture-taking skills and learn how to develop black and white prints. Members took turns using the resurrected dark room which had been cleaned out and restocked the previous year by Father Chircop, the club moderator. Club members sold prints of pictures they snapped at school events in order to pay for their supplies and get back some of the initial investment for the dark room.

TOP: Mark Sewell, Joan Lazar, Teresa Strimbu, and Laurie McClellan survey a roll of developed negatives for the best possible prints. CENTER LEFT: Robin Doherty and Jeff Ehrsam critique Father Chircop's wet but final product. CENTER RIGHT: Finding just the right portion of a print to enlarge is a challange and joy for David Falcone. LEFT: Photography club meetings offer members helpful hints on improving their "shutter-bug" skills

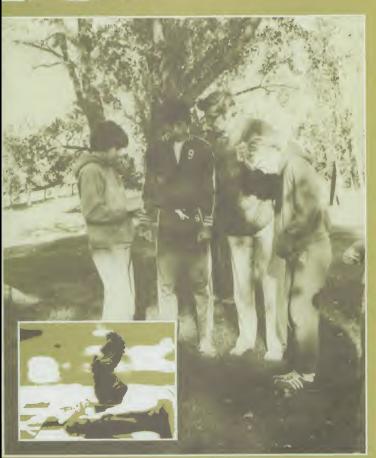

SPORTS

Niner Netmen Ace Opponents

Under Fr. Baenziger's direction, this year's tennis team finished with a winning 7-6 record. The team was composed of five juniors, one senior, one sophomore, and a freshman. Leading the young team was Jerry Boisvert. Jerry's excellent individual record entitled him to the honor of MVP. Missy Gross was elected MIP because of her play as #1 singles player. The reserve tennis team completed their season with a 4-2 record. Sophomore Dave Sotak captured the title of reserve MIP.

TOP: Even on the sideline Anne Welsh and Carole Radigan pay strict attention to the action on the court. CENTER LEFT: Manny Blando displays his versatile form during a match.

Varsity: FRONT ROW: M. Blando, G. Boisvert, G. Blando. BACK ROW: G. Kolettis, B. Lyman, L. Martino, Fr. Baenziger, M. Gross, J. Thiros.

Reserve: FRONT ROW: D. Sotak, A. Welsh, C. Radigan, M. Anich, N. Medows.

BACK ROW: J. Buczek, F. Moran, Fr. Baenziger

RECORD: 10-5

Varsity Breaks Even

One major obstacle hindered the Andrean 1977 varsity football team: a plague of injuries. These injuries and other difficulties compelled the 59ers to accept a record of 5 wins and 5 losses. Despite the record, the team surpassed their opponents in first downs 141 to 78. With the coaching of Mr. Pete Billick, the 59ers passed for 1,198 yards and rushed for 1,347 yards. Defensively, the team allowed their opponents an average of only 50 yards passing and 84 yards rushing per game. The climax of the season occurred at Portage where the 59ers came within 2 yards of defeating the Indians, the 1977 state champions, only to lose 9-14.

TOP: A well coordinated offensive unit prepares to unleash its power against Lew Wallace. RIGHT: Sideline strategy and fierce attention are some of the headaches of being a coach.

Go Big Red

Practicing at 6:00 a.m. daily, learning new routines, and attending cheerleading camp occupied most of the Varsity cheerleaders' time during the summer. Their main project of the year was to purchase new uniforms. They acquired the money for them from bake sales and several candy sales. The Varsity cheerleaders also participated in organizing the Homecoming parade and instilled school spirit into the students through various pep rallies and assemblies.

Freshmen: TOP TO BOTTOM: T. Henry, M. Gonzalez, M. Mirich, J. Bucko, E. Burke, K. O'Laughlin

LEFT: The Varsity cheerleaders sport mums and smiles as they await the start of the Homecoming parade.

Reserves Meet Challenges

The 1977 Reserve team, coached by Mr. Naumowich, played one of the hardest sophomore schedules in the history of the school. The games against the two toughest opponents, Merrillville and Hobart, were played on their fields, giving them the home court advantage. The Reserves' opponents usually held the advantage in size. Their season record was a 3-3-1, but they managed to outscore their opponents' total offensive score 57-50. The MVP's Terry Bellot and Mark Holcomb and MIP Larry Hanlon helped their team tackle their difficult season.

Pifferitt, Mr. Naumowich

Freshmen Take All

The Freshmen, coached by Mr. Jones, revealed great promise for the upcoming seasons with their record of 10-0. Jim Lavorci, the leading scorer, ball carrier and return man, led his victorious team with eight touchdowns and 891 yards carried. The team showed unbelievable power with their total of 169 points scored over their opponents' 8. With the MIP quarterback Al Volk and leading tacklers Scott Bruce, Bill Mueller, and Rich Jimenez this team shows promise for other successful seasons.

Fore-Most

The almost daily practices paid off as the girl's golf team, under the direction of Mrs. Landeck, ended the season with a respectable 6-5 record. Jen Wellman, the MVP and only senior member, medaled (shot the lowest score) three times. Lee Ann Bosak, who also played well throughout the season, captured the honor of MIP.

Golf Team: P. Yast, M. Phipps, K. Walsh, L. Bosak, N. Ribordy, B. Hrebec, J. Wellman, N. Phipps.

RIGHT: Patty Yast demonstrates her one-handed putt shot.

Girls Spike Back

Under the new leadership of Mrs. Nicolini, the girls' varsity volleyball team finished the season with a 5-9 record. Although this record does not seem outstanding, it was an improvement over last year. The girls, especially MVP Kathy Pole and MIP Lisa Richter, worked hard to strengthen and improve their team. The reserve team ended with a 6-8 season. MVP Dawn Wallace and MIP Vickie Gomez are just two of the talented reserve team members who brighten the outlook for next season.

TOP LEFT: Mrs. Nicolini gives last minitute instructions and encouragement during a time out. TOP RIGHT: A strong return by Kathy Pole shows her effort and determination. CENTER LEFT: Mary Clark helps get the game off the ground with a lofty return. CENTER: Cheryl Myers exhibits the power and agility needed to return the ball.

Sharp-Shooting Niners

Under the direction of Mr. Rogovich, the varsity basketball team finished the season with a record of 13-9. The height and strength of the team helped them defeat Hammond Clark 68 to 51 in the first game of the sectionals. They suffered a heart-breaking loss to Hammond Morton 48 to 50 in the semi-final game. The highlight of the season occurred when the Niners defeated Gary Roosevelt for the first time ever. The team was led by Mike Holcomb, the leading scorer with 351 points, and Kevin Halloran, the leading rebounder who also scored 235 points. Dan Plesac and Mike Connell, originally on the reserve squad, also added depth to the team.

Record-Breaking Reserves

The reserve basketball team completed a remarkable season with a record of 17-1, breaking the previous school record. With the coaching of Mr. Chelap, the players worked well together to produce excellent team performance. Offensively, the team averaged 50 points a game, while defensively they allowed an average of 37 points a game. The team was led by MVP Mike Connell, who shot 50% from the field and 74% from the free throw line. Two other outstanding players were MIP'S Kevin Page, an excellent playmaker and the leader in assists, and Dan Dakich, the leading rebounder with 106 rebounds.

Towering Freshmen

The Freshman A team, coached by Mr. Jones, was the only Freshman team to defeat both Highland and Lew Wallace. The team was very well balanced and coordinated because most of the boys played regularly. The team did not have to rely on any one person or specific players. This tall, talented team ended the year with a 10-5 record and placed third in the Portage Grissom Frosh Tournament. The Freshman B team shot a winning record, 7-4. A highlight for the B team was defeating Harrison in overtime, one of their toughest rivals. Greg Bosak and Mark Zajack led the team in scoring and rebounding.

Girls Rebound to Victory

The varsity team, coached by Miss Bombassaro, finished second in the Lake Station sectional for the 1977-78 season. Rosalie Dominik, who was an integral part of the team, was nominated by Channel 50 as Player of the Week. The MVP Rosalie Dominik and the MIP Claire

Pavlik contributed to the season record of 11-6. The reserve team, also coached by Miss Bombassaro, squared off the season with a record of 6-6. The MVP Kathy Pawlak and the MIP Cindy Knoll proved to be invaluable to the team's success.

Girls Run Away with Victories

In spite of cold spring, the girls' track team had a hot season. Eight girls qualified for regionals, with Kathy Pole taking first in the softball throw. Eight school records were broken this year: two by Kathy Pole, Most Valuable for Field Events, and three by Cindy Knoll, Most Valuable Runner.

Homerooms Battle for Crowns

With the assistance of Mr. Wittliff and Fr. Baenziger, all the boys' homerooms were involved in competitive intramural basketball. The champions were Freshman homeroom 216, Sophomore homeroom 209, Junior homeroom 213, and Senior homeroom 218. The two top scorers were John Barton and Terry Mellady for the Freshmen; Jim Bistrow and Bernie Jimenez for the Sophomores; Mike Mulroe and Jeff Stochel for the Juniors; and Tom Dakich and Tom Nash for the Seniors.

GAA Officers: K. Huerta, Secretary; A. Levenda, Treasurer; B. Gomez, Vice President; P. Tournai, President.

Girls on the Gridiron

Under the supervision of Mrs. Nicolini, the GAA members had the opportunity to compete in the tournament of powderpuff games. All four classes seemed to be out for blood and the title of "The Champs." The championship game turned into a double-header between the Juniors and Seniors. The Seniors, who entered with one loss, battled against the undefeated Juniors for the title. Seniors managed a touchdown near the end of the first game and "psyched" the Juniors into losing the second and deciding game. The winners don't get a trophy, but everyone has a good time.

TOP LEFT: Kathy Pole surges right in an attempt to score. TOP RIGHT: Miki Kranik and her persistent senior blockers plow down the field to a senior victory. ABOVE: Initiation into GAA always produces a bizarre gathering. LEFT: Lee Bosak finds plenty of running room to pick up extra yardage for the juniors.

Matmen Wrestle Tough Season

The varsity wrestling team had to face a difficult season this year. Under the direction of a new coach. Mr. Prochno, the team finished with a 3-7 record. Their chances for victory at dual meets were lessened by the forfeiting of two upper weight classes at every dual meet. Several team members lacked experience, but they made up for it by working hard. MVP Rick Henry. a 145 lb. contender, had a personal record of 23-2 and was undefeated through the regional tournament. Mark Ellison. a 98 lb. wrestler, captured the MIP title. The reserve team, composed almost entirely of first-year wrestlers, ended with a record of 2-9. Once again, dual meet scores were affected by forfeiting. There is excellent potential throughout the line-up which will provide for a good team in the near future.

CENTER LEFT: Rick Henry gets a hold of the situation. CENTER RIGHT:
Coach Pronchno throws in some advice from the edge of the mat.

Track Record Belies Ability

The 1978 varsity track team, under the leadership of Mr. Pete Billick, finished a tough season with a record of 5-9. The Most Valuable Trackmen were juniors Joe Chester and Mark Prusiecki and senior Bill Kane. Junior Greg Pusateri captured the title of MIP. Of the nineteen trackmen who qualified for sectionals, four went on to the regional meet. The only state participant was Bill Kane, who finished fourth in the 880 vard run.

TOP: Larry Gough anxiously awaits the results of his efforts in the discus throw. CENTER LEFT: Andrean throw. CENTER LEFT: Andrean Jim DeMass strive to attain victory for the 59'ers. CENTER RIGHT: Mark Prusiecki makes good use of his strength and agility in an attempt to clear the high jump bar.

SENIORS

Senior year has come to an end. We've made it through twelve years of formal education. It seemed like an eternity. We've done a lot of growing in these years we look back on many things: good times, friends, fun, laughter hassles, gray days, boring lectures. All are memories now - we've come to a beginning. We embark upon college, married life, the working world. Graduation day brings the sadness of leaving our friends and a large part of our life behind. It also brings a sense of accomplishment, the joy of new friends, the challenge of the future. Andrean has prepared us well to meet the challenges we leave high school with an excellent academic background the knowledge of how to survive socially -

and, most importantly, a religious foundation upon which to build a future life.
